A JEFFERSON STANDARD POLICY IS A DECLARATION OF INDEPENDENCE FOR THE FAMILY

MORE than 117 million dollars of the Jefferson Standard's total insurance in force is on the lives of North Carolinians. Each year it continues to place more new insurance on North Carolinians than does any other company.

These eloquent facts are a result of the high regard in which the Company is held by the people in its Home State and because they know the value of placing their insurance with a strong home institution where North Carolina money is kept working in North Carolina for North Carolinians.
